## EXCELLENCE IN TEACHING AWARD

The Midwest Association of Graduate School is pleased to announce the Excellence in Teaching Award in recognition of graduate students who exemplify excellence in the teaching/learning mission of our universities. Two awards have been created to recognize the importance of excellence in teaching and mentoring as a component of graduate education and the preparation of graduate students for future service as college and university faculty. One award will be given to a doctoral student and one to a master's student. Each award includes a citation and a \$750 honorarium that will be presented at the annual meeting of the Midwestern Association of Graduate Schools (MAGS).

The MAGS Excellence in Teaching Award competition is open to all graduate students who have graduate student teaching appointments and are enrolled in a member institution during the 2016 calendar year. Institutions are restricted to one nomination of a doctoral student and one nomination of a master's student. Following formal institutional review and selection, nomination(s) must be submitted by the Dean of the Graduate School/College (or designee) using the attached application form. Nominations must include a letter of nomination from the Dean of the Graduate School, a letter of support from the department head, the nominee's teaching portfolio (including a link to the teaching video), and current curriculum vitae. Excluding the nomination form, letters of nomination and support, and vitae, **the nomination is limited to six (6) pages double spaced**. Primary consideration will be given to nominees with an excellent teaching portfolio and student evaluations.

Nominations must be submitted electronically to the MAGS Excellence in Teaching Award Committee before 11:59 p.m. (CST), Friday, January 27, 2017. Please submit electronic nominations to [MAGSteaching2017@gmail.com](mailto:MAGSteaching2017@gmail.com)
