The Midwestern Association of Graduate Schools (MAGS) invites graduate students to participate in the Three Minute Thesis (3MT®) Competition.

Nomination Deadline: *March 1, 2024*

The 3MT is an academic competition that challenges PhD and Master's students to describe their research within three minutes to a general audience. 3MT celebrates the discoveries made by research students and encourages communication about the importance of their research to the broader community.

Please note: *An institution can submit a placeholder nomination if their 3MT competition has not been held by March 1, 2024. However, they will need to submit the name of the participant by March 15, 2024.*

Students may be pursuing a master's or doctoral degree. Students competing at MAGS must have previously participated in a 3MT competition at their home institution.

The 3MT competition will be held during the MAGS annual meeting, April 4-6, 2024 at the LeMeridien Hotel St. Louis Clayton, MO. Only 1 student per institution may compete. MAGS will cover the meeting registration cost for the student. Institutions will be responsible for student travel costs.
